Mr. Eugene Ferweda
President
A+ ABSORBENT
Ferweda General Contracting
11325 Highway 22
Angora, MN 55703

Dear Mr. Ferweda:

We have received and reviewed the information you submitted on your company's sorbent "A+ ABSORBENT." Our review indicates that this product meets the definition of a "sorbent" as specified in Title 40 of the Code of Federal Regulations (CFR), sections 300.5 and 300.915(g) of the National Contingency Plan (NCP). It is recommended that the product be contained in a pillow or boom when used on open water oil spills. Based on this review, "A+ ABSORBENT" is not required to be listed on the NCP Product Schedule. Please note the product clarifications listed below.

So that you may be prepared to provide On-Scene Coordinators with a certification as referenced in section 300.915(g)(4) of the NCP, the following statement should be reproduced, dated, and signed on your corporate letterhead:

[SORBENT NAME] is a sorbent material and consists solely of the materials listed in section 300.915(g)(1) of the NCP.

Enclosed for your review is a copy of section 300.915(g) from the NCP. If you any have questions, please contact me at the Office of Emergency Management at (202) 564-1974.

Sincerely,

A handwritten signature in cursive script that reads "Leigh E. DeHaven".
